Perfection Learning	Basic Drama Projects, 8th Ed. Hardcover Student Textbook and electronic student edition	Dr. Fran Tanner	2009	9-12	9780756916404	97%
	Notes: Requires teacher edition and resource binder. Key Features: All theatre techniques and skills are taught through a project-based structure. Each short, focused chapter begins with the specs for a project that students complete individually, in pairs, or in small groups. This means that students are up on their feet “doing” from the beginning of the book to the end. All aspects of theatre are targeted in the text including: Theatre Basics; Elements of Acting; Creating a Character; The roles of the playwright, director, producer, and cast; How to analyze/critique a play; Technical theatre- set design and construction, lighting, sound, costumes, makeup, props; Theatre history; Monologues and Scenes; A complete Handbook of theatre careers and the business of theatre. Special features in each chapter focus on theatre careers, important theatre individuals, and links of present-day theatre to the past. These include: Career Focus; Theatre Then and Now and Master of the Craft.
